

Adam Equipment's MDW mechanical scales offer an affordable solution for checking the weight of fitness center or gym members. Wheels allow easy mobility and a notched counter weight clearly shows the numbers. MDW scales feature rugged construction with a metal base and a non-slip weighing platform to ensure stability and comfort. Models include an adjustable height rod to simultaneously measure height and weight.

Affordable, easy-to-operate scale measures height and weight

Features

- Height measurements from 60cm to 212cm
- Integrated wheels permit easy movement
- Anti-slip platform ensures safety when stepping on and off the scale
- Height rod facilitates measuring the height of children and adults while weighing
- Metal construction for base and pillar
- Zero adjustment

Applications

- Weighing
- Height measurement
